SPLASH BACKS

Glass Splashbacks are the must have accessory to any modern kitchen. Mandurah Glass Service can provide glass splashbacks in a wide range of colours to compliment any home. Glass splashbacks are custom measured and installed products with a "painted" surface on the back face. As they are a painted product, the number of designer colours available is almost endless. These can also be matched with different glass options to enhance the look of your splashback.

Please contact us for a free measure and quote, or come into our extensive showroom to view the full range. Samples can be borrowed on an overnight basis, and custom samples can be made at a small cost.
