## bathroom mirrors

All our mirrored glass is from the Australian made Viridian brand, and we use high quality products to comply with Australian Standards AS2208.

### Frameless mirrors –

- Modern and uncluttered.
- Flat polish or beveled edge options available.
- The choice of wall fixing in either clips, domes or glue fixing.
- Any shape can be manufactured to fit your space.

### Framed mirrors –

- Economical for all budgets.
- 3 styles available;
  - Concealed frame with leg – Stylish, with only the slim edge of the frame being visible yet offering the full strength of a frame. Can be fitted flush to the wall with concealed fixings.
  - Concealed frame – As above, but offers less of the frame being visible and includes the option of having a beveled edge on the mirror.
  - framed - fixed to the wall with either clips or colour co-ordinated caps. Available in the entire Pivotech colour range.

Our custom made mirrors can be ordered framed in the wide range of Pivotech trims available or frameless with your choice of edging options.
