Value for money while offering stylish, functional and practical solutions for all bathroom sizes and budgets.

**Benefits:**

- All screens are custom measured and made then expertly installed to fit your space, exactly
- Our price range offers value for money while using all quality components and materials
- Choice of powder coated or anodised finishes to compliment your décor
- A smooth contoured frame ensures minimum water leakage and also incorporates a full length moulded handle.
- Sliders have top mounted wheels keeping them away from soap scum and grime

**Options:**

- Many glass options are available, including obscure or patterned glass, through to “super clear” glass
- Configurations available for any space, including corner entry options, wide entry options or a double entry for double ended shower rooms.
- Add a handle to provide a larger grip area
- For the pivot door option, a door gutter can be added that allows excess water to run back into the shower area while the door is open
- Sill-less and head-less options available, with no overhead or bottom frame in the doorway, allows the bathroom to flow seamlessly into the shower.
- Enduroshield © can be applied to the glass to make it up to 90% easier to clean away the soap scum and dirt.

## framed shower screens

Our quality framed shower screens are from the affordable & versatile Pivottech range, offering a sliding or pivot door option.
