semi-frameless shower screens

Classic and contemporary, these shower screens are our most popular and are an economical alternative to frameless shower screens.

Benefits:

- On site measured, locally made and expertly fitted
- Up to 6mm A grade safety glass can be used
- Positive close magnetic catch ensures the door closes perfectly in line.
- The stylish outerframe has been designed to ensure easier cleaning and comes in a choice of powder coated or anodised finishes to compliment your décor.
- All fixings on the frame are concealed and unobtrusive door pivots are colour matched to co-ordinate with the frame
- All screens come with a round handle in a range of finishes

Options:

- Many glass options are available, including obscure or patterned glass, through to "super clear" glass
- Optional handles offer an even more elegant look to enhance your shower screen; D handle or "finger pull", in a range of finishes
- A door gutter can be added that allows excess water to run back into the shower area when the door is open
- Square or round patch fitting available
- Endurosheid © can be applied to the glass to make it up to 90% easier to clean away the soap scum and dirt.

Our versatile semi-frameless screens from the Pivottech evolution series have a totally frameless pivot door
